

RECEIVED  
CENTRAL FAX CENTERREMARKS

DEC 22 2006

The Examiner rejected claims 1-11 and 16-23 in the Office Action. In an interview on November 27, 2006, which was conducted with the undersigned, the rejections and claimed subject matter were discussed with the Examiner. Applicants appreciate the Examiner's explanation and discussion of the rejections and cited references. Accordingly, in view of this consultation, Applicants have amended claims to incorporate the allowable subject matter and plan to pursue the other claimed subject matter in a continuation application.

To begin, Applicants thank the Examiner for the indications relating to claims 12-15. In the present response, Applicants have canceled claims 1-11 and 17-23 and amended claims 12, 13 and 14 to incorporate the recitations of claim 11 and place them in independent form. Also, Applicants have amended claim 16 to change its dependency to claim 14. Accordingly, Applicants respectfully request allowance of the pending claims 12-16.
